Add Todo Task

All Todos View

The screenshot shows a mobile application interface for a todo list. At the top, there is a navigation bar with a blue icon on the left, the text "All Todos" in the center, and two buttons on the right: "Add todo" (blue) and "All todo" (red). Below the navigation bar is a grid of five todo items, each in a white box with rounded corners and a shadow. Each item includes a date indicator (green circle with text like "22-aug" or "dates"), the task title in bold black text, a brief description, and two buttons at the bottom: "Edit" (blue) and "Delete" (red). The tasks are arranged in two rows: the first row contains three tasks, and the second row contains two tasks.
